

**East Liverpool High School
Class of 1962
50th Reunion**

Dear Classmates,

Can you believe that it has been fifty years since we graduated from high school? Many of us are probably in denial, but time has a way of marching forward whether we want to admit it or not. Our reunion committee has been meeting and planning over the past year, and we hope that you will attend and enjoy our gala 50-year reunion.

We grew up in a small town first attending the neighborhood grade school, moving forward to middle school, hoping junior high would prepare us for that daunting step forward into high school, and finally graduating to start our on-going journey through life. Now here we are, still on our journey, and hopefully, we are able to come together to share old memories and future plans.

Since this marks our 50th year reunion, the committee has worked to make it memorable by planning a three-day event. We hope you will come to this reunion in July to share still another step of our journey.

With fondest regards,
Your Reunion Committee

Sandee Black McKinney, Nancy Payton Yanni, Ron & Marianne Wolf, Kay Hocking Manecke,
Alma Barrett Fields, Carol Hupp Martin, Paul Preston, Jean Sauerbrei Wanchick, Carol Wotring Wagoner
